Kosice, Nov. 2018

# Youth Lifestyles, Deviance and Prevention

## Youth Work for Vulnerable Young People

### OBJECTIVES

Pooling and share experiences gained in specific areas of prevention

To share the experiences and expertise acquired in **developing responses to very specific problems and in specific contexts** linked to the Life Styles and Deviance of Young People

To visit the **projects** and the **contexts** where the educators/youth workers of the five partners organizations operate and where young people live

To facilitate the **proposal of a healthy life style** to the younger generations through proactive methods based on the principles of Non-Formal Education

# Youth Lifestyles, Deviance and Prevention

## Youth Work for Vulnerable Young People

Project's phases: six steps in two years.... + a ToolBook!

# Youth Lifestyles, Deviance and Prevention

## Youth Work for Vulnerable Young People
